Fritch, a well-known medical practitioner of this city, was placed under arrest to-night on suspicion in connection with the death of Maybell Millman, of Ann Arbor, whose dismembered body was found in two sacks sunk in Ecorse Creek, in the western suburbs of this city. Martha Henning, friend of the dead girl, was also held as a witness.

The scene of investigation shifted to Detroit simultaneously with the arrival at the Ann Arbor post-office of a Washington telegram authorizing Postmaster Prettyman to submit the records of the registered letter department to Boston, who had been the sender of registered letter containing a remittance, which Miss Millman received just before leaving on her star-trip to Detroit three weeks ago.

Dr. Fritch, when arrested, had \$55 in cash in his pockets. Dr. Fritch was previously arrested in connection with the mysterious death in 1907 of Edith Presley, proof-reader for the State Senate. When the case against him was brought to court for lack of evidence, the case against Fritch was nolle prossed.

KENT TO SPEAK AT PETERSBURG

Republican Candidate for Governor Will Appear Earlier Than First Planned.

POLICE PATROL ON THE WAY

Councilmanic Resolution Adopted Looking to the Appropriation of \$8,500.

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., September 8.

Captain W. F. Kent, Republican nominee for Governor, and Mr. Brant, Republican nominee for Superintendent of Public Instruction, will open the campaign in this city and section with speeches at the Academy of Music on Friday, September 17. The 21st had been previously selected as the date for their speeches, but finding the Academy engaged for that evening, it was found necessary to make the change.

Patrol System for Petersburg.

The Common Council last night adopted a resolution offered by Mr. Stratton, appropriating the sum of \$5,500 for the purchase, equipping and maintenance of a police patrol system and paraphernalia, including a wagon, in Petersburg, and instructing the City Attorney to prepare an ordinance for the establishment of the City Police. On this matter the Finance Committee will report at the October meeting.

"Poorhouse" No Longer.

The Council also adopted a resolution changing the name of the Alms-house to that of the "City Home," and expressing the opinion that great changes and repairs are needed to bring the institution up to a proper sanitary condition and a fair degree of comfort. It is estimated that the necessary changes and repairs will cost some \$5,000 or \$10,000.

New Office Proposed.

The Council adopted resolutions looking to the creation of several new offices, one of which is the office of clerk for the various Council committees, who shall be bonded. The duties of such office were formerly discharged by the late Virgilus Weddell, and for the past year by Samuel P. Rees, who recently resigned. It is one of great importance and of great assistance to the committees. It is also proposed to establish the offices of Building Inspector and Plumbing Inspector. The City Attorney was directed to prepare separate ordinances creating these offices and prescribing the duties of the officials.

The Pocahontas Basin.

Some weeks ago a letter was received from Mrs. W. Gordon McCabe, of Richmond, representing the Colonial Dames of Virginia, requesting that the Common Council deliver into the custody of the Colonial Dames the historic stone basin which tradition says was used by the Indian princess Pocahontas for her ablutions. The desire of the Dames was to preserve this historic relic, to mount it on a pedestal, inclose it and place it in a suitable position in Central Park, in this city.

The Council referred Mrs. McCabe's letter to the Committee on Public Property, and last night this committee, through its chairman, Mr. Machin, reported adversely on the request. The committee recommended instead that the basin be placed on a granite base and located on the Courthouse Square. The recommendation was adopted. The basin is a huge stone, weighing some hundreds of pounds, and neatly hollowed. It will be polished up and a bronze plate will be attached to it giving its history.

Meeting of Special Board.

The monthly meeting of the special board of directors of the Central State Hospital was held this afternoon at that institution. Commissioner A. M. Bauseman was present, and among the visitors were Dr. Paulus Irving, president, and Rev. Dr. Mastin, secretary of the State Board of Charities. Routine matters were passed upon by the board. The hospital and its patients are in excellent condition.

The bride has many friends in this city and the bridegroom is a native of Petersburg.

LIUT.-GEN. CORBIN DEAD

Famous Soldier Dies in Hospital, After an Operation.

NEW YORK, September 8.—Lieutenant-General Henry C. Corbin, U. S. A., retired, died in Roosevelt Hospital, in this city, to-day, after an operation for a renal disorder. General Corbin would have been sixty-seven years old in a few days. Mrs. Corbin and ex-Governor Myron T. Herrick, of Ohio, his personal friend, were at his bedside when death occurred.

General Corbin had been suffering for two years from the malady which ultimately resulted in his death. He went to Carlsbad for treatment on June 12 last. The waters there appeared to have improved his condition, after two weeks' stay, and he returned to England, where his former trouble recurred, and he went to Paris to consult with physicians.

The general's trouble developed more seriously while he was in Paris, and he determined to return to America. With Mrs. Corbin he arrived here on Sunday last, and was taken to the Roosevelt Hospital. The operation was performed Tuesday morning.

Following the operation General Corbin recovered, and the work of the surgeon was regarded as a success, but at about midnight last night a weakness of the heart developed, and death ensued a few hours later.

His Military Career.

WASHINGTON, D. C., September 8.—General Corbin's first military service was as a second lieutenant in the Eighty-third Ohio Volunteer Infantry. He served throughout the Civil War with the Army of the Cumberland, holding all grades from second lieutenant to colonel. He was breveted brigadier-general of volunteers March 13, 1865. He entered the regular army May 11, 1866, as a second lieutenant, reached the grade of lieutenant-general April 15, 1906, and retired September 15 of the same year. In recognition of "gallantry shown in the Spanish-American War," Congress, in June,

1900, conferred upon him the rank of major-general. For eight years he served as adjutant-general of the army.

General Corbin was in the company of President Garfield when the President was assassinated in 1881. Arriving from New York, at 8:31 o'clock to-night, the body of Lieutenant-General Corbin was taken to Highwood, Chevy Chase, the Washington home of the Corbins. The tentative plans for the funeral provide for services at St. John's Protestant Episcopal Church at 2 o'clock on Friday afternoon.
